Onderwerp: RE: Letter to CPT about the isolation of inmates in the Netherlands

Dear Ms de Groot, Dear Ms de Schepop,

Let me thank you for the letter dated 7 April 2022 sent to the European Committee for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment (CPT).

The information provided by the Supervisory Committee of the Zaanstad Judicial Complex will be taken into account in the context of the preparations of the upcoming visit of the CPT to the Netherlands. Please note that the issue of solitary confinement in Dutch prison establishments is high on the agenda of the CPT.

With best regards,

Sebastian Rietz
